

## OUR MISSION

The goal of Temple Ner Tamid's Religious School is to provide joyful and positive Jewish experiences for all students and their families. We strive to teach the rich

heritage of Judaism as a living link between our past, our present lives and our hope for future generations of Jews.

In an engaging atmosphere, our aim is to help our students and families:

- lead lives guided by Jewish values
- develop a personal relationship to God
- enrich their lives by the study Torah
- acquire knowledge of Hebrew
- acquire knowledge of prayer and praying
- acquire knowledge about and concern for Israel
- identify with and have concern for K'lal Yisrael (the Jewish People)

Temple Ner Tamid respects and welcomes the uniqueness of each student. All students, and their families, are valued as active learners and participants in Jewish living in our community.
